Pricing Schedule Changes and Agreement Termination

We may **adjust this Pricing Schedule** by providing you with at least **two (2) months' written notice** (referred to as a "Change Notice"). Alternatively, we can modify it with your **written consent**.

If you receive a Change Notice, you have the **right to end this Agreement without penalty**. To do so, you must provide us with **written notice within that two-month notice period** before the pricing changes take effect. If you do not terminate the Agreement before our Change Notice period expires, you will be considered to have **accepted the updated Pricing Schedule** on the date the new pricing becomes effective.

Specific Terms for Services

In addition to the main Terms, the following specific conditions apply to how we provide the Services:

- I. Settlement Proceeds will be released by 5 PM UK time within the specified Settlement Days following the Payment Transaction date and its associated Settlement Cycle.
- II. The initial term of this Agreement is one (1) year.
- III. For MasterCard and Visa credit and debit cards, all Service Fees for the previous billing month will be detailed in your monthly Account Statement.
- IV. Should there be any discrepancy between the main Terms and this Pricing Schedule, the terms outlined in this Pricing Schedule will take precedence.
- V. The Merchant must always exercise due care to protect Trust Payments (Malta) Limited and the card schemes from any misuse or abuse of the system. This also includes properly looking after any materials provided under this Pricing Schedule.
- VI. If Blended Rates have been applied, the merchant confirms their agreement to be charged on this basis and acknowledges opting out of an Interchange++ (ICC+) model.
- VII. Point-of-Sale (POS) terminals must only be used and located at the Merchant's site(s) specified in the Application Form and/or Merchant Agreement. Transactworld Limited reserves the right to conduct spot checks to ensure compliance with this condition.
- VIII. Subcontracting terminals to third parties is strictly forbidden. If a terminal is subcontracted to a third party or used at any location different from the one stated in the Application Form and/or Merchant Agreement, we will immediately revoke the Merchant Agreement without notice and repossess all terminals.

Onboarding Steps (What Happens Next)

- Document Submission – Provide last 3 months' processing statements and complete KYB/KYC via our secure link (directors/UBOs ≥10%). *Approx. 1–2 days*
- Compliance Review – Our team reviews your documents and confirms approval. *Approx. 2–3 days*
- Agreement – Electronic Merchant Services Agreement (MSA) shared for signature. *Same day once approved*
- Setup – Terminal(s) dispatched or Gateway configured and tested. *1–3 days depending on service*
- Go-Live – Payments activated after successful setup. *Usually within 5–7 working days from document submission*

Note: Final approval is subject to completion of compliance checks.
