

CHANDAN YADAV

Web Developer

📍 Mumbai 📞 [+919506475774](tel:+919506475774) @ chandan13120@gmail.com

Summary

A skilled Web Developer with expertise in both front-end and back-end technologies. Proficient in HTML, CSS, JavaScript, React, Node.js, PHP, and CMS platforms like WordPress and Shopify. Experienced in database management (MySQL, MongoDB) and API integration. Focused on delivering responsive, scalable, and secure web solutions with a strong emphasis on performance and usability. A collaborative team player, always staying updated on the latest technologies.

Experience

Eggfirst Advertising and Digital Agency

May 2024 - Present

Web Developer

Mumbai

- Writing HTML, CSS, and JavaScript to create the visual layout and user interface.
- Ensuring responsive design for mobile and desktop.
- Building server-side logic using PHP technologies.
- Designing and managing databases (MySQL)
- Setting up and customizing CMS platforms like WordPress or Shopify.
- Deploying websites to live environments.

Technofra

Sept 2023 - May 2024

Web Developer

Mumbai

I collaborate with design and development teams to create user-friendly, high-performance websites. Additionally, I handle version control using Git, deploy sites, and maintain code by fixing bugs and optimizing performance.
