About

Motivated and versatile **Full Stack Developer** with **4 years 9 months of professional experience** in building scalable, user-friendly web applications using the MERN stack. Strong expertise in **React, Node.js, MongoDB, MySQL**, and modern state management tools. Passionate about crafting high-performance interfaces, enhancing user experiences, and contributing to impactful digital solutions.

Experience

Full Stack Developer

Dreamzpay

May 2024 – Present

Mumbai, IN

- Developed and maintained scalable full-stack web applications using the MERN stack.
- Designed and deployed a merchant website platform enabling partner registration and transaction tracking.
- Built a dynamic **Quote Engine** for real-time card rate comparisons.
- Integrated **Socket.io, Redis, and RabbitMQ** for real-time updates.
- Optimized data modeling and querying using **Prisma ORM**.
- Collaborated cross-functionally using **Redux Toolkit, Zustand, and TanStack Query**.

Frontend Developer

ICICI Home Finance

Jan 2024 – Apr 2024

Mumbai, IN

- Spearheaded frontend development for the **Work Relationship Management (WRM)** software.
- Developed responsive UI components with **React.js, Tailwind CSS, and JavaScript**.
- Integrated REST APIs ensuring seamless backend communication.
- Enhanced performance and accessibility across modules.

Frontend Developer

Jan 2021 – Dec 2023

Remote

Maool

- Led frontend development for Maool's **Email Editor Dashboard** using React.js and Tailwind CSS.
- Integrated end-to-end APIs for real-time email design and campaign management.
- Improved scalability and code reusability via component-based architecture.
- Collaborated in agile sprints for timely releases.

Projects

Merchant Quote Engine Platform

Dreamzpay

May 2024 – Present

Designed and developed a merchant-facing platform for optimized pricing suggestions based on transaction data.

Internal Loan Processing System (WRM)

ICICI Home Finance

Jan 2024 – Apr 2024

Contributed to the redesign and enhancement of internal software for ICICI loan officers.

Email Editor Dashboard

Maool

Jan 2021 – Dec 2023

Built an intuitive and high-performance dashboard for creating, editing, and managing marketing campaigns in real-time.
